

MBAA - JURIED EXHIBITION 2019

Annual Juried Exhibition

Presented by

Morro Bay Art Association, Morro Bay, California

835 Main Street Morro Bay CA 93442
www.ArtCenterMorroBay.org (805) 772-2504

Juror: Dennis Curry

Dennis Curry served in the United States Army, 25th Infantry Division's Combat Artists program in 1966 where he documented combat experiences from an artist's perspective.

Upon returning to the U.S., Dennis attended Santa Monica College where he learned original printmaking. He traveled to East Africa and co-founded Duma Safaris with a friend and publisher, Christopher Law. This life changing experience afforded him the pleasure of introducing others to the great game areas that forever influenced his love of nature.

Following an introduction to the contemporary printmaking of Mylar Lithography, he founded Blue Berry Press, located in Cambria, CA., later becoming known for his work in the traditional, intaglio mediums of etching and engraving. Later, moving away from printmaking and wildlife, Dennis began working in the more traditional medium of oil painting to capture the light and color of the landscapes on location and in the studio.

Dennis has significantly contributed to conservation work around the world and his graphics are widely collected nationally and internationally.

Dennis relayed, *"While much art of the past has dealt with the glories and follies of humankind, I feel a need to portray nature for its own sake with the hope of promoting value and respect for our unique planet and the varied form of life with which we share it."*

Dennis is a current member of Society of Animal Artists, Artists for Conservation and San Luis Outdoor Painters for the Environment.
