I am deeply grateful in this life to be able to explore the interaction of form, texture, space, sound, and light using this body, these senses, and this mind.

My extensive undergraduate work at UCLA, SCI-ARC, and Cuesta College; professional work in carpentry, architectural design, and in political commentary; steps along a path of spirit with deep reverence for wilderness encompass my interest in form and expression, and my commitment to peace and truth and joy.

Awards: Three Juror's Awards of Excellence \$250

Agreement: Submission of artwork to this exhibition constitutes an agreement to the conditions stated in this Call For Entry and a commitment to show accepted art for the duration of the exhibition. If an artwork is sold, the purchaser can remove it upon proof of payment. The artist can replace the sold artwork with one of similar quality, if desired. By entering this exhibition, artists agree to allow CCSG and ACMB to use submitted images in promotional material.

The Juror and CCS representatives reserve the right to reject any sculpture that does not meet the standards shown in the images supplied. No substitutions are allowed.

Qualifications/Requirements: Sculptures previously exhibited in any past exhibition of CCS or ACMB are not eligible. Sculptures previously exhibited in the Phantom Project(s) are eligible. All sculptures must be free-standing or pedestal mounted. No wall mounted sculptures can be selected, as the walls will be used for the "Visionary Human" paintings.

Sculptors must supply any special mounting facilities. If pedestal mounted, please provide a white pedestal for their artwork. If you need a pedestal, some are available from CCS or ACMB. Please contact Carl Berney at 505-690-4283.

The gallery at ACMB is on the second floor. It is up a 30" wide stairway. There is no elevator. Please arrange for help if needed to carry your sculpture up the stairs. The ceiling height is 7.5'. The outside patio and area in front of the gallery will be available for large freestanding sculptures. You must install outside pieces so they cannot be pushed over.

Insurance and Care: Artists are encouraged to carry their own insurance. ACMB and Central Coast Sculptors representatives will make every reasonable effort to protect artwork from the time it is received until it is returned to the artist. CCS, ACMB and their representatives will not be held responsible for any damage or theft of artworks.

Prices, Sales, and Commission: All sculptures must be for sale. ACMB will handle all sales, collect the sales tax and retain a 25% commission. Artists will receive 75% of the sales price of the work. Prices set by the artists may not be changed after entry.
